

The purpose of Professional Learning is for educators to develop the knowledge, skills, practices, and dispositions they need to help students perform at higher levels. In order to continue to develop, an educator needs to gain new learning and apply this new learning. To better enable you the opportunity to earn in-service hours for your new professional learning, please use this form to share essential information with your professional learning facilitator or administration.

Program Information	
Attendee's full name:	
Program title:	Honors Performance Series Educator Program
Program begin and end times:	February 7-11, 2019
Professional Development:	Participants will earn 25 PD points upon successful completion of the program. <i>Terminology varies by state. Points, clock/contact hours, or CEUs are awarded based on program length according to the following formula: 5 points/hours per day or .5 CEU's.</i>
Program Focus:	This program has been designed to enable music educators to experience the Honors Performance Series, interacting with both the High School and Young Adult Series, while expanding their professional skills.
